Activity Summary:

Inward visit by Chiba University's delegation which was led by their Deputy Dean Koutaro Yokote (from Graduate School of Medicine), for discussing the possibility of joint research collaboration and the joint symposium in near future. In addition, they also met with College of Pharmacy and College of Nursing, for discussing the further collaboration, including student exchange and faculty exchange. During the meeting, both institute agreed to upgrade the collaboration into University-Level, and TMU will have a visit to Chiba University in November 2017.
