### What is grants.at?

grants.at is Austria's biggest online database for scholarships and research grants for all academic areas. Financial support options for **students, graduates and researchers** range from classical grants and scholarships, allowances and prizes to extensive national, European and international research support programmes.

In more than 1,200 entries grants.at offers information about

- Financial support measures for studying or research for **outgoings** (Austrians who want to study or pursue research in other countries) and **incomings** (people who want to come to Austria) and
- purely **national funding options**.

The **scope of providers of funding** ranges from international organisations, the European Union, national governments in Austria and abroad (ministries and administrative organisations) and their provincial governments or municipalities to private foundations, associations and companies.
