

Kyushu University Instructions of Student Exchange Program Application (*for prior to application) (University-Wide)

Read these instructions carefully **before** applying for Kyushu University Student Exchange Program. Firstly, please contact the international office of your home university regarding internal selection procedure as the deadline for application may differ depending on each university.

You will be asked to complete your application using the web system after you will be selected as a nominee around February 2022* at your home university, therefore please prepare all the required materials indicated as in the #7 well in advance. (The details of the website will be notified accordingly.)

Please note that we DO NOT accept applications directly from individual students. You should be selected as a nominee at your home university firstly.

1. Program *Please select one program you wish to be enrolled.

Course (JLCC)	If applying via the Japanese embassy/consulate in your home country,	
	please follow the instruction of the embassy/consulate.	
Undergraduate School	https://www.kyushu-u.ac.jp/en/faculty/	
Graduate School	https://www.kyushu-u.ac.jp/en/faculty/	

2. Educational Background

Applicants must be enrolled in a formal degree program at his/her home university throughout the period of attendance at Kyushu University. (*Please make sure your expected graduation date as you will NOT be accepted as an exchange student after you graduate from your home university.)

3. Language Proficiency

As indicated in the Fact Sheet, applicants are required to have Japanese/ English language proficiency depending on its courses.

4. Financial Support

Please see the followings for possible scholarship information.

JASSO (Japan Student Services Organization)

https://www.jasso.go.jp/en/study_j/scholarships/short_term.html

^{*1.} Date of the result of internal selection may vary from university to university.

^{*2.} JTW/JLCC applicants are requested to complete the application one month earlier than undergraduate/graduate program.

MEXT Scholarship (Japanese Government Scholarship) *Only JLCC applicants are eligible to apply https://www.mext.go.jp/a menu/koutou/ryugaku/06032818.htm

You may apply for MEXT scholarship if you wish to join the JLCC program. Please note that being nominated by Kyushu University does NOT mean that you will receive the scholarship; the final decision to be granted is made by the scholarship-sponsoring organization. We may not be able to notify you before your arrival to Japan about the result due to the procedure of the organization.

You are requested to show your intention to apply for the scholarship through the web application system, which will be notified around January accordingly.

If you have been granted another scholarship, please report to us through the international office of your university in order to avoid the conflict of being a recipient of the JASSO or MEXT scholarship.

5. Credits and Course List			
Please refer to the information below well in advance.			
(If you are a graduate student and intend to do research only, you do not have to fill out the course list.)
