# Global Summer Programme 2023

SMU

SINGAPORE MANAGEMENT  
UNIVERSITY

# SMU IS GLOBAL

The Singapore Management University is internationally recognised for its world-class research and teaching excellence.

Established in 2000, SMU is known for its highly interactive, collaborative and project-based approach to learning, and for its emphasis on generating rigorous and high-impact multi-disciplinary research that addresses Asian issues of global relevance.

Home to some 12,000 students, SMU comprises eight schools specialising in Accountancy, Business, Economics, Computing and Information Systems, Law, Social Sciences, Integrative Studies and Graduate Research Studies, offering a wide range of bachelor's, master's and PhD degree programmes.

The College of Integrative Studies and College of Graduate Research Studies also facilitate the development of interdisciplinary programmes across schools to prepare our students to face the challenges of a complex world.

# BOARDING PASS

## SMU GLOBAL SUMMER PROGRAMME, 8<sup>TH</sup> EDITION

26 JUNE - 21 JULY 2023

### OUR TRACKS

| Gate | Destination         | Status   |
|------|---------------------|----------|
| 01   | ASIAN INSIGHTS      | BOARDING |
| 02   | SUSTAINABLE FUTURES | BOARDING |

GATE  
**01**

Asia is a dynamic region that is home to culturally diverse societies at varying stages of transformation. As a cosmopolitan city state with a thriving entrepreneurship and innovation scene, Singapore offers myriad opportunities for all.

GATE  
**02**

Sustainability is multifaceted and applicable to social and economic domains such as environmental conservation and business practices. As one of the world's top financial hubs and greenest cities, Singapore is an ideal platform to explore this topic.

- ✓ Gain new insights and perspectives on Asia and Sustainability
- ✓ Engage industry leaders through dialogues and corporate visits
- ✓ Learn from peers from around the world and forge intercultural friendships

## NURTURING FUTURE PROFESSIONALS AND LEADERS

# WHAT OUR STUDENTS SAY

“Studying in the heart of Singapore allowed me to explore and experience the robustness of this city-state. With the diverse participants, lecturers with varied expertise, and company visits arranged throughout GSP, I am also able to gain a new perspective on contemporary issues and innovative solutions to adapt to the changes.”

Nadya Marshanda,  
Universitas Gadjah Mada,  
GSP 2022

“I can now appreciate globalisation from different points of view and what it means to study in an international class.”

Michele D'Orazio, Libera Università Internazionale degli Studi Sociali Guido Carli, GSP 2021

“GSP broadened my worldview by giving me the opportunity to interact and learn from people of different backgrounds and perspectives.”

Orcun Dogmazer, Koç University, GSP 2019

“GSP offered me a new unique perspective with the opportunity to create long-lasting global friendships and discover more about Singapore and other cultures from across the world through a new point of view.”

Kirsten Cate Logronio,  
La Trobe University,  
GSP 2022

“SMU broadened my view of the world, challenged me intellectually and socially, and gave me more confidence for the future.”

Denis Doroshenko, ESCP Europe, GSP 2016

“The courses were unique and relevant, the facilities state-of-the-art, and the professors were outstanding! There's so much to learn from them and from my fellow students from all over the world!”

Justine Tamano, University of the Philippines Diliman, GSP 2015, and alumna of SMU's Master of Professional Accounting

“...the necessary catalyst to start my journey on exploring opportunities in Asia...”

Kelly Hong, University of California, Berkeley, GSP 2017

“GSP was an experience I'll always remember. It helped me meet new friends from all over the world and underscored the importance of cultural appreciation and exchange in an increasingly connected world. The instructors were integral in facilitating this through the coursework!”

Faisal Fayaz Ahmed, Boston University, GSP 2022

# GSP 2023 COURSES

2

tracks

13

courses

3

interactive classes  
per week per course
