

Dear Students,

We are happy to announce that our UBC Vancouver Summer Program (VSP) is gearing up for another amazing summer! As you may know, the VSP is a wonderful opportunity for undergraduate students to study at the beautiful University of British Columbia, Vancouver Campus.

By offering globally relevant academic courses and sociocultural activities specific to Vancouver and its surroundings, the VSP encourages students to engage in cross-disciplinary learning and develop their understanding of Canadian culture and values.

We will be once again offering 2 sessions for summer 2024:

- **June Session:** starts June 7, 2024 to July 7, 2024 (*tentative application deadline: March 1, 2024*)
- **July Session:** starts July 12, 2024 to August 12, 2024 (*tentative application deadline: April 5, 2024*)

Application requirements for each program, fees, and other relevant information can be found on our website at www.vancouversummerprogram.ubc.ca.

We invite students to study at North America's most international University and connect with other globally-minded students. On-line applications will be accepted starting late November through our website, or if you interested in sending a group, please contact us at vsp.applications@ubc.ca. Please note that should your institution send a group of 24 or more students to our program, VSP will sponsor a chaperone to come along with your group, or offer a C\$200 scholarship per student. Our chaperone sponsorship covers each chaperone's accommodation, medical insurance, and chaperone-specific events throughout the duration of the program.

If you have any questions or would like further information, feel free to contact us and/or join us for one of our upcoming information sessions:

We look forward to welcoming students from TMU at UBC this summer!
